

Dear

Date as postmark

We are pleased to enclose our current set menus. We request that you choose one of the menus for your party - either menu two, three, four or five.

We require a deposit of £10.00 per person, within a week of making your booking, to confirm your reservation.

For parties of 30 or more a pre-order is required. Parties of 15 to 30 can either pre-order or make menu choices on the night, but we ask that you let us know beforehand which set menu you would like to order from.

In addition to the main restaurant we also have an upper dining area, with a bar and a balcony overlooking the sea. Whilst we will endeavour to meet your seating requirements it is not always possible, when you make your booking, for us to determine where your party will be seated, upper dining or lower dining.

Thank you for choosing Casa Ciro, we look forward to welcoming you to our restaurant.
Yours sincerely
